#GCASDG2021 #SDG2021Estonia

Dear Participant!

We are happy to announce that participants from around 15 countries are expected to gather in Tallinn from 22nd to 26th of August!

We have made this year's Conference as sustainable as possible to reduce our footprint on the planet. We encourage you to use public transport where possible, bring your own reusable bottles and cups and we have selected partners, including the venue for Conference, that have the environment at heart.

Many of you are coming from hundreds and even thousands of miles away and will be visiting Estonia for the first time. As the date of the conference is quickly approaching, please take a look at some relevant details and practical information below to make your arrival and stay in Tallinn comfortable as well as memorable.

ATTENDANCE POLICY

The Government of Estonia has set new limits for events and activities that lack infection control. Organisers are following the rules and from all participants of the international gathering and conference, we request confirmations /certificates/ documents that they are fully vaccinated, recovered from COVID-19, or they will present a negative PCR test (no later than 72h) result on arrival in the events and activities.

COVID-19 and IMPORTANT INFORMATION IN TERMS OF ARRIVAL RULES IN ESTONIA

Due to the COVID-19 pandemic, restrictions are in place for entry into Estonia from many countries. All passengers arriving in Estonia by plane must fill in the traveller's questionnaire (<https://iseteenindus.terviseamet.ee/>) before arriving in Estonia. You can do this up to three days before arriving in Estonia. The border guard or the airline may ask for confirmation of the border crossing declaration sent by e-mail either electronically or on paper. Those arriving by ship, bus, or car are obliged to fill in the traveller's questionnaire when arriving from a country marked in red in the table or an equivalent country. We will use the bus to get from the airport to the conference hotel. Bus nr 2 goes from the airport to the area, where the hotel is located. Please exit a bus at the stop Reisisadama A-terminal (8 stops between Airport - Reisisadama A-terminal). After traveling by bus, you will need to walk 300 meters straightforward. The hotel is a building with metal columns and beautiful statues.

Arrival by ferry

For those arriving to the A-Terminal it is really easy to get to the hotel. You just need walk 300 meters straightforward. For those arriving to the D-Terminal: need to take bus number 2 towards "Reisisadama A-terminal". Go for just 1 stop and get off at "Reisisadama A-terminal". Then you need to walk 300 meters in a straight line.

Arrival by bus

From the bus station, you need to take city train number 2 in the direction "Kopli". Go 6 stops and get off at the stop "Linnahall". Then you need to turn left to cross the street and turn to the right, walk for 400 meters and then turn to the left, go for another 10 meters, the hotel will be on the right side.

A kind reminder - if you haven't informed us about your flight/vessel/train/bus schedule, arrival times and other travel details, please do so ASAP (by the 20th at the latest) by sending an e-mail to daina@peacechild-estonia.org. This way we can ensure a smooth reception and ensure you have the best possible visit to Tallinn and the conference.

If we do not have your full travel information by the 20th of August by 14:00 (GMT+2) we cannot guarantee your reception at the airport/port/bus or train station and you will have to make arrangements for transportation on your own.
